Action for the Governing Board

The Governing Board is asked to:

- **Note** and **review** areas where the CCG need to take actions

Summary of purpose and scope of report

The purpose of this report is to provide the CCG with essential information that will enable it to successfully manage its business activities.

Links to CCG strategy and objectives

The Finance and Performance Report is a key management information document which enables the CCG Management Team to focus on the delivery of the CCG strategy and objectives and to decide upon any corrective actions which may need to be taken.

Supporting documents

- Month 6 finance report

Financial and resource implications

- No implications

Stakeholder involvement

- None necessary

Equality impact analysis

- Not relevant

Risk

- Failure to recognize or take corrective action regarding any issues raised in the report could compromise the CCG's ability to deliver its strategy and objectives.

Governance and reporting

- The Finance and Performance Committee will review the paper and clarify governance and reporting implications

Next steps

- The CCGs Finance and Performance committee to review the paper and determine how it will taken forward and report to the board
